WE ARE AN ACCREDITED SCHOOL

Activities Committee (TISAC). The school is also a member of CIS and the Federation of British International School in South East Asia (FOBISIA) (www.fobisia.org) and are also recognised by the Diplomatic Corps in Thailand for their children.

Regent's is a Global Member of the prestigious Round Square Association, with its President, HM King Constantine, Board Member and patron (www.roundsquare. org). All 150 Round Square schools around the world believe it is their obligation to produce well rounded leaders for our future global community. As Round Square schools, they instill six values at the heart of what their students do, both within and beyond the classroom. These six values are known as the 'Six Pillars': taken in the 'right' order, their first letters memorably and appropriately spell out the acronym 'IDEALS', which stands respectively for International awareness, Democracy, Environmental responsibility, Adventure, Leadership and Service to others. Our sense of achievement as a school comes from translating these IDEALS into practical realities as part of the curriculum.

SUCCESS

The key to our success lies in the quality of our teaching staff and their commitment to being excellent role models for all students. All our main teachers possess UK Qualified Teacher Status or Equivalent. We place priority on the recruitment of such teachers. Apart from foreign language teachers, all our teaching staff are native English speakers and nearly 90% are British. Oxford, Cambridge, London School of Economics, Imperial College London, University College London, the Royal College of Music London, Stanford, MIT, Wharton (U of Penn), UC Berkeley, the National University of Singapore and Seoul National University are among the prestigious universities which have offered places to our recent graduates (in some cases with full scholarships).
